

Showcase Your Organization
2012 Schools Expo
March 3, 2012
Mercedes Benz Superdome
*****Registration closes February 16, 2012*****

On Saturday, March 3, 2012, The Urban League of Greater New Orleans will host the sixth annual Schools Expo at the newly renovated Mercedes Benz Superdome from 10am-2pm. The event is expected to draw 700 families plus school representatives from New Orleans-area public, parochial and independent schools.

All community resource providers, especially those who **serve families, serve schools, serve youth, provide child care** or offer **summer camps** are invited to share their information at the Schools Expo. There's also an opportunity to showcase your organization with a demonstration or performance! There are no participation costs for non-profit organizations, and only a nominal fee of \$25 for for-profit entities!

All participating resource providers also are invited to attend a 9 a.m. Breakfast Networking Event with school leaders sponsored by the Connect2Educate Collaborative. As you set up your organization's materials, we hope you will use this opportunity to network, and make connections to better serve the children and families in our community.

To secure your organization's participation in the Schools Expo and register for the Connect2Educate Collaborative Breakfast Networking Event, access the Registration Information and Form at the [C2E website](#) or call [504-620-2486](tel:504-620-2486).

****Schools who wish to participate must submit a different registration form. For more information please contact Arielle McConduit at [504-620-2332](tel:504-620-2332).*
