

**High Voltage, Inc.  
Quarterly Report  
January 2013-March 2013**

**Mission Statement**

**Objectives**

Our first quarter objectives were to recruit students for our Girls Circle support group in June and to show appreciation for our volunteers.

**Activities**

On January 19, we hosted a Girls Circle orientation at the New Orleans Healing Center. Six girls registered for this event. On February 16th, we participated in the Urban League of New Orleans School Expo 2013 at the New Orleans Superdome. Forty students signed up for more information on participating in our Girls Circle support group. Sam's Club donated art supplies for activities at our table. The Kiwanis Club of Ponchartrain provided volunteer support.

On March 28, Katrina Hill was randomly selected to receive a Spring Makeover Basket for her contributions to High Voltage, Inc. The basket contained gift certificates from Avon Products, Gayle Laurence Hair Studio (courtesy of Ms. Tonette Harrison) Halo Suites Day Spa, Lux Day Spa, and Wal-Mart's. First quarter volunteers received Volunteer Recognition Thank You cards sponsored by the Directors of Volunteers in Alliance. Ms. Marvell Arlington, donated prom dresses that were given to teens at Raintree Children and Family Services.

Our Louisiana State Annual and IRS 990 reports were also filed during this period. We hope you can participate during the second quarter by supporting our annual fund, volunteering, either registering for Louisiana Gives or selling tickets for the Macy's Day of Caring.

**2<sup>nd</sup> Quarter Objectives**

Our second quarter objectives are to serve 10 girls during our summer Girls Circle support group and to show appreciation for our donors.
